

## **Osprey Valley Open presented by Votorantim Cimentos – CBM Aggregates**

### **Volunteer Position Descriptions**

#### **OPERATIONS**

##### **Tournament Operations (Setup / Tear Down)**

This group assists Tour & Tournament staff with the erection, maintenance and removal of tournament infrastructure (ex. score boards) and roping/staking the golf course. Volunteers are required during advance week (week before) and post event.

##### **Player Services**

Individuals who work in player services are there to enhance the experience of the PGA TOUR Canada players. This position works as the main contact between the players and the Tournament Director while assisting the TOUR with Player Registration and providing community information to the players.

##### **Player Transportation**

Player transportation is responsible for transporting players between the golf course, the host hotel/player accommodations, and in some cases, the airport. All volunteers in this position will be required to have a valid driver's license. The Tournament will supply vehicles for the week. (Valid driver's license required for this role).

##### **Practice Facilities**

This group manages and maintains the practice facilities throughout the week, including driving range, practice putting green(s) and short game area ensuring there are enough golf balls for players, buckets of water for club washing, etc.

##### **Water Crew / Health & Safety**

This group of volunteers will ensure all tournament coolers/beverage barrels are filled with ice and beverages at all times throughout the week, including on-course player water, tournament office coolers and hospitality areas. This crew will also ensure proper inventory levels of PPE in areas designated by the tournament.

##### **Waste Collection (Ecology)**

The waste collection committee will be responsible for monitoring waste containers on-site, ensuring containers are empty and trash bags are disposed of appropriately. Ensures the overall site cleanliness of all tournament areas, both on the golf course and off (tournament offices, hospitality areas, washrooms, etc).

##### **Spotters**

This committee plays a large role in maintaining proper pace of play on-course. Spotters will be given flags to indicate where a player's ball has ended up in case the rough is too long for players to easily locate their ball. This is primarily a stationary position.

### Sand & Seed

Volunteers will assist the maintenance crew with seeding areas of the golf course (tees, landing areas, etc.) at the end of each day during tournament week. This is not a physically demanding position.

## **SCORING COMMITTEE**

### Scoring Central

The backbone of the scoring committee, volunteers in this position communicate directly with the walking scorer's on-course and input scores directly into Tour's scoring system. The scoring system is live on PGATOUR.com for all to see.

### Driving Distance

Driving distance volunteers will be responsible to recording and inputting players drives on designated holes during competition rounds. Volunteers will pace off / laser the yardage and input directly into the scoring device.

### Leaderboard Operators

As a leaderboard operator, you take information relayed to you from Scoring Central and post the Top 10 players on the leaderboard for spectators to see. This job is good for individuals who wish to be involved in scoring but would prefer a stationary role.

### Walking Scorers

Walking Scorers are responsible for entering each competitor's hole-by-hole score directly into the Tour's scoring device. Each walking scorer will be provided with a Tour scoring device. This position requires that you be able to walk an entire 18 holes as well as a good understanding of golf.

### Standard Bearers

Standard Bearers are required to walk with their assigned group, posting each competitor's score (To Par) on a standard for spectators to see after every hole. This position requires volunteers to walk a minimum of 18 holes and carry a standard.

## **CADDIES**

Caddies will assist by carrying their players golf bag and assisting with any other course related items the player wishes. Caddies should be able to walk 18 holes over multiple days, carrying roughly 50 pounds and have some basic golf knowledge. Caddies are not mandatory; however, we wish to secure caddies for up to half the field.

Note: Being able to work consecutive days will better your chances of getting placed as a caddie (ex. Available Monday-Friday or Thursday-Sunday or Saturday-Sunday) as we will work to pair caddies that meet the players requests.

*Example: A player requests a caddie for Thursday-Sunday. We will place a caddie with that player that is available for those days, not use two caddies who are available Thursday-Friday and Saturday-Sunday.*
